BC Joe's Dresden e. V. – The Club at a glance

Dear Member,

we are very pleased that you have chosen us and share the enthusiasm for the sport of pool! Besides our helpful members, this guide is intended to help you gain an overview of our club life:

- ✚ The club is located in "Joe's Billiard and Bowling Center" in Dresden. As an active member, you can rent pool tables there for free. This applies all week except Saturdays. When the venue is fully booked, paying customers have priority. Passive and non-members may take trial training sessions but cannot play for free like active members!
- ✚ On Tuesdays and Wednesdays, active members receive a 50% discount on drinks (cocktails, spirits, and long drinks are excluded) upon presentation of their membership card and registration on the list at the counter. In return, we have an agreement with the operator that we renew the cloths on four tables in the venue annually – for this, we need your help once a year!
- ✚ We heavily rely on your data being up to date. That goes especially for your address, email address, your phone number and your bank account. That way we can keep you informed about meetings, tournaments etc. and also ensure the correct payment for your membership. Please note that you bear the consequences of unreported data by our constitution.
- ✚ The maintenance of our equipment is essential to keep the membership fee low. Therefore, we ask you to do the following:
 - The balls must be cleaned after use at least with a microfiber cloth, preferably with the polishing machine in the storage room.
 - The table must be cleaned after use with the Isopropanol solution filled in spray bottles in the storage room. The solution can be sprayed onto a Zewa or a microfiber cloth from the storage room. You should wipe the cloth gently and evenly from top to bottom.
(If the bottles are empty: $\frac{3}{4}$ water, $\frac{1}{4}$ isopropanol (canister), a dash of soap or detergent added.)

- Break shots and Jump shots have become important parts of billiards – for professionals and curious beginners. There are special cues with hard tips for this. If you want to practice the "jump shot" or similar head-on-shots, we ask you to take a microfiber or a piece of billiard cloth from the storage room (Zewa or similar cloths are not sufficient!) and use it as an underlay. Ideally, you practice away from our league tables (301 – 304).
 - **Please note** that repeated or serious violations of material use and care may lead to penalties according to our club regulations!
- ✚ We have a discount code at the largest distributor of billiard articles – Dynamic Billiard (www.dynamic-billard.de), which is valid for a variety of items. For your next purchase, you can use our code **10%bcjdev** to get a 10% discount! (some brands are excluded from discount codes)
- ✚ Currently, we have two active teams in the Saxonian Oberliga (1st team) and East Saxonian Landesliga (2nd team). The teams are always welcoming new members and support on matchdays! You can view the current schedules and tables anytime at www.billard-sachsen.de/sb_spielplan.php.
- ✚ We hold an annual club championship. Throughout the year, all four disciplines (8-Ball, 9-Ball, 10-Ball and Straight Pool) are played. The so-called "Swiss system" is used so that everyone plays equally and against opponents of similar skill. Occasionally, we also try our hand at regional tournaments. The current club dates can always be found in our annual calendar or in our WhatsApp group. You are always welcome – whether you're a helper, spectator, or participant.

If you have any questions or suggestions, you can reach us at the contact details above!

With sporting regards
